FISCAL REVIEW COMMITTEE

**FISCAL NOTE**

**HB 2527 - SB 2411**

February 27, 2020

**SUMMARY OF BILL:** Requires the State Board of Education (SBE) to develop standards for a curriculum on healthy relationships in the mental, emotional, and social health component of the lifetime wellness standards for grades six through twelve (6-12). Requires the Department of Education to develop curriculum on healthy relationships according to the lifetime wellness standards.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- The lifetime wellness standards approved by SBE already include standards on healthy relationships; if the current standards meet the requirements of the proposed legislation, then no new standards would need to be developed.
- SBE and DOE will be able to comply with the proposed legislation within existing resources.
- SBE and DOE will be able to amend their policies in accordance with the provisions of this legislation during the normal course of business; therefore, any fiscal impact is estimated to be not significant.
